

Sustainability Policy

RIGHT HUB S.R.L.

(Rev. V0_2022)

RIGHT HUB S.r.l. is a consulting company specialized in the field of: sustainable and responsible management of enterprises and their processes (in particular procurement and supply chain), work inclusion of people with disabilities and the sustainable management of events, event locations, event organizers and suppliers of goods and services for events.

Therefore, in line with the nature of our business and the attention we pay to our stakeholders (*employees, customers, suppliers, partners, not for profit associations, communities, institutions*) we adopt the following sustainability policy that defines our company's commitment to continuously improving the environmental, social and economic impact of present and future activities of our company.

With this in mind, RIGHT HUB S.r.l. is committed to :

- respect the basic principles of sustainable development and contribute to the achievement of the goals set by the United Nations (UN SDGs-Sustainable Development Goals), in particular to the applicable ones in our context an business: SDG 5, 7, 8, 9, 10, 11, 12, 13, 17;
- act taking into account the following principles and values: responsible management, inclusiveness and accessibility, integrity, transparency, participation, legacy;
- raise awareness and involve all stakeholders around environmental, economic and social sustainability issues;
- minimize waste production;
- manage properly the natural resources consumption and reduce Co2 emissions;
- prefer sustainable procurement choices of goods and services;
- ensure fully compliance with current Italian regulations about environment protection, work health and safety.

The sustainability policy of RIGHT HUB S.r.l. is implemented through a specific plan of actions and objectives to ensure the effective and durable sustainable reduction of environmental impact and the enhancement of social benefits.
